

CHEMICAL CRITICAL™

Expedited bulk liquid transportation services by HIGHWAYTRANSPORT

Speed you need with service and safety you trust

Capacity you can count on.

Our fleet can meet last-minute logistical challenges, and our dedicated drivers deliver critical loads on time while maintaining the commitment to safety that earned us Responsible Care® Partner of the Year in 2019, 2021 and again in 2022.

RESPONSIBLE CARE®
OUR COMMITMENT TO SUSTAINABILITY

Real-time updates when they matter most.

You can stay informed every step of the way with MyHighway Customer Portal – providing 24/7 access to key load activity, real-time cargo location and temperature updates.

Dedicated service for peace of mind.

Our customer service team is prepared to help you *navigate the unexpected*, handling all expedited load details so you can focus on your business.

Prepare for the unexpected.

Transportation needs change fast. When speed is the priority, count on Chemical Critical™ to *deliver innovative solutions to get the job done on time* – without sacrificing accuracy or safety.

When every second counts,
**CHEMICAL CRITICAL™ is Our Promise.
Delivered.™**

CHEMICAL CRITICAL™ OFFERS EXPEDITED SOLUTIONS FOR:

- Supply chain disruption
- Time-sensitive loads
- Catastrophic events
- New customer demands
- Regularly scheduled expedited loads
